A card will be filled out when library material is loaned and will include publication information, borrower information signatures and due dates. The Library reserves the right to restrict the number of items borrowed by any borrower and to revise check out procedures of library material as needed.

It is the responsibility of the borrower to ensure that he/she is aware of the due date of all material checked out and that the contact information we have on file are current.

Care of the library material

Our books and video material may be heavily used and as a consequence suffer wear and tear. We ask that you treat all library items with care and respect. Please do not make notes, highlight or underline comments in books. Do not cut or tear pages from the books.

Any theft or mutilation of library materials denies access to information to all other members. It is also a violation of library regulations and as such is subject to disciplinary measures, which may affect your access to the library and/or suspension from the coin club. This policy will apply to over due books or media material. Any over due library material could risk the loss or suspension of club membership and club privileges until the library material is returned in good condition. In the event of any dispute, the dispute will be taken under consideration by the club officers and directors.
